I'm Greg Nichols, the Robotics instructor at UniTec Career Center. I have accomplished many different opportunities to prepare myself to help the students from restaurant management to operating a nuclear power plant on a submarine in the US Navy. My goal is for all of my students to be as successful as possible. Over the past five years, my students have exceeded my expectations in averaging

5 scholarships per year and 17 awards and trophies in competitions Please email
any questions to me and I will respond promptly.
